

OZZ Yellow Lens Covers for LED light bars

Enhance your lighting experience with our Yellow Lens Cover, specifically designed for our LED light bars. Crafted from durable polycarbonate material, these lens cover not only adds a touch of style but also serves as an extra layer of protection for your LED light bar. With a secure clip-on mechanism, installation is a breeze. Additionally, it modifies the light output to emit a warm, yellow hue, enriching the ambiance and providing versatile lighting options.
